Now I'm going to read you some more about this incident. As you may know, on Saturday an Arizona Congresswoman was shot at close range while she met with constituents at a grocery store. Six people were killed, including a federal judge and a 9-year-old girl, and over a dozen others were injured. The alleged gunman passed a background check and bought a Glock 9-millimeter semi-automatic pistol, along with an extended magazine holding more than 30 bullets. The alleged gunman also has a history of drug use, disturbed behavior and outbursts, causing him to be expelled from community college and rejected from the military.

6. Based on what you have heard, what external factor played the largest role in this incident?

7. What external factor would you say played the second largest role?
